

NOTES FOR REGISTERING ONLINE:

We do ask that the majority of our members utilise the website as it greatly reduces the administrative burden and speeds things up all round. It also gives you the control to update your membership details and of course access your free advertising along with exclusive information for members which will only be accessible if you have registered with the JLA and paid your subscription online. We are here to help! Please contact us if you require assistance with your renewal.

- It's worth noting that payments are taken via PayPal. We therefore highly recommend if you have a PayPal account that you log into and update this accordingly first (if you don't use it regularly) to smooth the process of registering on our site.
- You can also pay just using a Credit or Debit Card via the PayPal merchant without the need for a PayPal account but please be aware it will still ask you to provide an email and set a password due to the rolling nature of the subscription payment, it's a requirement that allows you to cancel your subscription and update your card if it expires. *Please ensure that you use separate passwords from the JLA registration process.*
- The subscription payable is determined by the number of rentable units and is renewable every 12 months. *Note: A unit is defined as one lettable entity so, for example, one house/flat let to one party is one unit, one property divided into 3 flats, let to 3 different parties is 3 units, one house divided into 20 bedsits and let to 20 different parties is 20 units*
- You will need to select one of the following three drop downs accordingly:
 - 1-10 units: £30.00 annual subscription (includes up to 6 adverts)
 - 11-40 units: £50.00 annual subscription (includes up to 10 adverts)
 - 41+ units: £80.00 annual subscription (includes up to 16 adverts)
- An additional one off joining fee of £25 is payable for new / lapsed members
- Please ensure you complete the form fully to prevent issues with submission
